

Welcome to 2023!

2023 Theme: **A Whole New World**- In the Infinity of time and space we learned very quickly how things can change. The last two and a half years have been filled sadness, grief, challenges, stressors, and frustrations forcing us to push ourselves into new innovative ways to do most everything. As the dust settles and we crawl through the end of this pandemic, a new world is forming. So many things have changed and there are now creative new productive activities and hopeful fresh new beginnings. The next year will focus on our new world after a historical pandemic.

Changing the World with MERA

MERA Wisconsin: We Monitor your loved ones vital signs and Engage with a questionnaire as a wellness check In. We Recommend mindfulness activities to lower your loved ones heart rate and Advocate on your loved ones behalf with our team of Mental Health Professional to get you the best care possible in a crisis situation.

About our presenter:

Montréal Cain is a Milwaukee, Wisconsin Native who has a heart to enrich lives by being influential in a positive light for his family. Being a resource of knowledge, determination, and experience professionally, while unselfishly caring for the well-being of others by being present and accessible.

Montréal is the Creative Director at Ce Mke. "A Marketing and Advertisement Agency where he focuses on a culture where B2B, Music Media, and Art Coexist with Equal importance to the Consumer."

He competed in the 10th Season of American Idol making it 6 rounds in Hollywood.

He worked for Apple Incorporated starting as a retail specialist moving into accessibility working with the visually impaired, audibly impaired, and individuals with autism. He was asked to perform his original song 'Enrich Lives' at Apple Head Quarters after filming and edited multiple video vignettes for the corporate office.

Montréal has served as an educator with thirteen years of experience teaching at University of Wisconsin-Milwaukee and Broadcast Journalism at Milwaukee Marshall High School.

Montréal is proficient across multiple cutting-edge electronic and digital technologies, including press and publicity, media outreach, intellectual property management (IP) and brand integrity. He advocates actively for community empowerment, public service and has an appreciation for people of all cultures and backgrounds. As a keynote speaker at many citywide forums and events, Montréal focuses on equipping budding entrepreneurs with basic knowledge about starting and developing a small business. He provides both insight and motivation.

He received the 2017 Innovative Pioneer Award at City Hall during the Black Male Achievement Awards and continues to push the envelope with tech knowledge and innovation.

He has served as the Vice President of the Board of Directors for Amri Family Services since 2018 where his personal mission

is to combat mental health challenges in the city of Milwaukee.

In 2019 he also received the Innovation Award from Milwaukee Marshall High School and the Teacher of the Year Outstanding Educators Award in 2019 at the Black Educators Ball hosted by A Lego.

He also received his Mental Health First Aid certification in 2019 and founded HouseCall Wisconsin his Technology Start Up App Development Company.

In 2021 he Founded MERA Wisconsin 501(c)3. We Monitor your loved ones vital signs and Engage with a questionnaire as a wellness check In. We Recommend mindfulness activates to lower your loved ones heart rate and Advocate on your loved ones behalf with our team of Mental Health Professional to get you the best care possible in a crisis situation.

Last Year Montréal won 1st Place in the Health and Innovation Pitch Competition our of 2000 complains across the globe for his work with MERA and was awarded \$25,000 from Jrue and Lauren Holiday Social Impact Fund.

2022 has had a promising start with Montréal taken 1st Place at FOUNDERSFEST pitch completion, performing live for Milwaukee County Board of Supervisors Black History Program and Participating in a Live Panel Discussion for the Black Caucus on the State Level.

He continues to focus on provided mental health preventive care and crisis intervention services for the 1.9 Millions families living with mental illness in Wisconsin.
